PARKING.

During the upcoming holidays please be mindful of parking in your area. Some streets are narrow and when vehicles park on both sides of the street it could create a serious hazard and could result in a rescue/fire vehicle not being able to get through.

SAFETY NOTICE!

It's dark when some of the children are going to the bus stop. Watch for children as they cross the streets, hang out at the bus stops, etc.

Make their SAFETY your priority!

Have you signed up for Email Alerts or Notices; go to WWW.LENOXMILL.ORG

It's easy, fast and a great way to get current information.

We love our pets, but remember; They must be on a leash and you must pick up after them.
